The school sports meet was scheduled next month. The practice matches had already begun. 9 B were the favourites as they had strong players in their team. The Kabaddi trials were on. This year there were three new students in class 9 A. To everyone's surprise, they proved to be outstanding players. 9 A's hopes soared.

When the match started, all the spectators clapped and boosted the morale of both the teams. 9 A won the toss and sent their raider Govind. He was so swift that before the opponents realized it, he had touched Suresh from 9 B, and was already heading home. A point was scored.

Ravi from 9 B was a very strong player. He alone was sufficient to catch hold of any player so tightly in between his legs twisted like scissors that releasing oneself from his grip was next to impossible.
